Donn,

See below about the Tiger Team for San Jacinto; have you had a chance to ask if Reps/Mayors would like a brief – or maybe Cynthia should do that?

Thanks,

Carlos –

Austin is not the lead for the Tiger Teams. That's still me, per my discussion with Charles. I will work to set up meetings as you suggest.

We need set up meetings with the Tiger Teams for this sites to develop a plan or strategy on communicating to the public and elected officials what we are doing at these sites and what is

planned for the future. I believe that Cynthia was the Chair person for the Tiger Teams and I assume that it will not be Austin. Please work with Austin and see schedule a meeting. I am not sure who is already included in these teams, but Austin (with Cynthia's help/suggestion) may have suggestions based on what they have done at other sites. I know we are already doing a lot of work at these sites, we just need to get help/support from other branches/division to make sure everyone is on the same page. Thanks CAS
